MEMORANDUM FOR:

Director, Intelligence Community Staff

VIA:

Director, Office of Assessment and Evaluation

Acting Director, Office of Planning

FROM:

SUBJECT:

Intelligence User Survey

1. Attached is a copy of the IC Staff Analysis of the Survey of Intelligence Community Production. This Analysis, prepared by [redacted] and [redacted] has been most carefully reviewed by me, [redacted]

It is, in my opinion, an excellent piece of work, particularly if one takes into account the difficulties of applying any type of rigorous analysis to the type of data obtained from the User Survey. [redacted]

2. As I have previously advised you, DIA has done its own analysis, limited largely to matters of immediate concern to the Department of Defense. [redacted] has been tasked by [redacted] to draft for the Interagency Working Group on Intelligence Production, the final report for submission to the DCI. [redacted] with whom I have discussed this matter only yesterday, is agreed that it should do so. The report for the DCI will be reviewed by members of the IC Staff and will not be forwarded to the DCI pending your personal approval. [redacted]

3. I recommend that you approve forwarding this Analysis [redacted]
